Ad Formats on Mygate

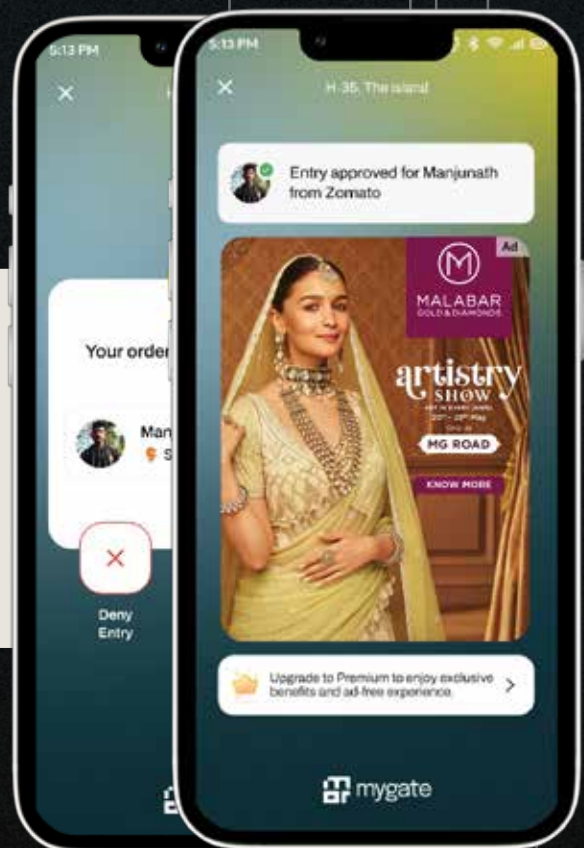

Spotlight

The expandable display on the home screen can help brands create extensive recall due to its strategic placement.

Approval Cards

The unmissable Approval Cards appear every time a resident approves or creates an entry.

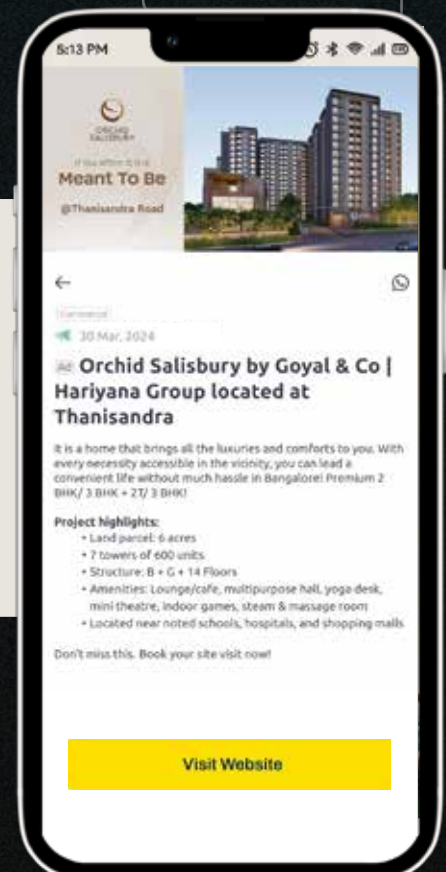

Native Feed Card

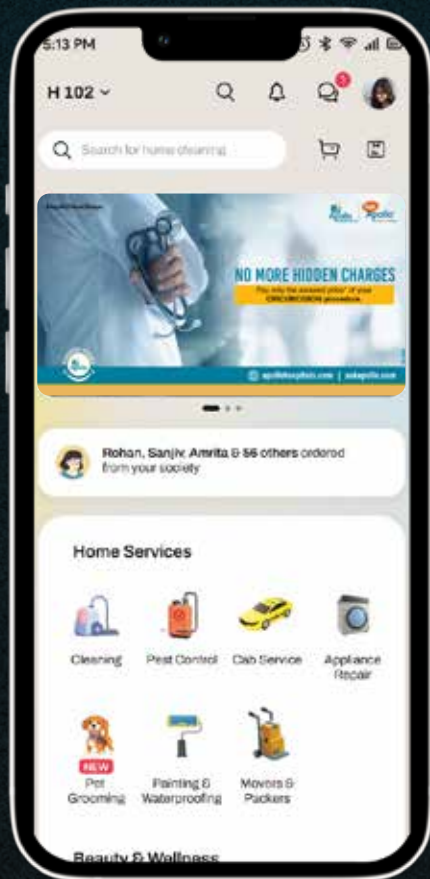

Feed cards integrate seamlessly within a communities' conversational channel.

Pulse

The most versatile format that caters to every objective of a brand like Website redirections, lead generation, running video ads and more.

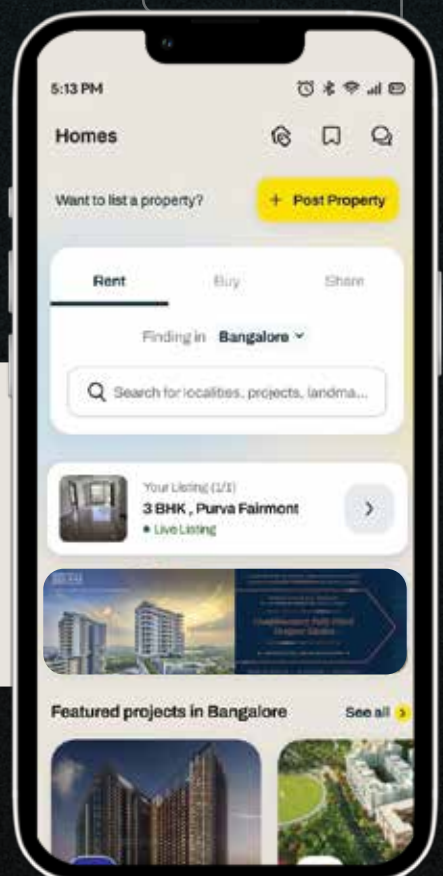

Service Card

Showcase multiple services, offers or products with scrollable cards on the services page.

Homes Banner

Display your brand message in the homes section. Suited best for real estate brands.

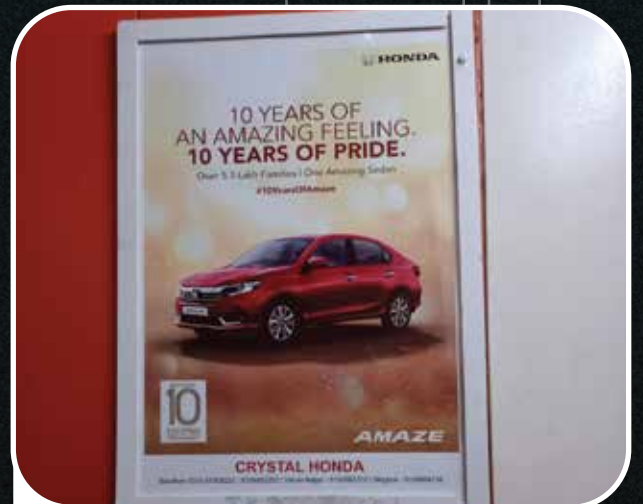

Signage
